ACHIEVE LEGAL COMPLIANCE FASTER WITH THE PPWR CHECK© WEB TOOL + THE CHALLENGE OF TRANSPORT PACKAGING AND REUSABLE CONTAINERS

Most companies have not yet recognized the high requirements of the PPWR for their transport packaging. Almost every company worldwide is affected if it delivers to the EU market or operates within the EU. However, non-compliance with the regulations jeopardizes your business in the EU.

Pacoön presents results from analyses of transport packaging and highlights solutions for bulk goods transport, which faces significant challenges with reusable containers in terms of cleaning and product safety.
